Located on the edge of the beautiful and serene Lake Hood, The Lake House is perfectly positioned to cater for intimate and large wedding groups.

Your guests enter The Lake House through a stylish foyer. This opens out into a large modern restaurant with stone fireplace. Bi-folding glass doors open to a large fully covered, heated and waterproof deck dining area for the ultimate in lake side dining. Or the perfect spot for your ceremony.

The serene waters of the lake with the new weather-proof deck, offer sweeping views of the surrounding estate to the alps, making it an ideal location for your pre-function beverage and canapé service, ceremony or reception – or all 3.

With a backdrop of soft light and tranquil waters, this is the ideal starting point for your beautiful lakeside wedding ceremony or reception.

THE CEREMONY

Many couples have chosen the romance of their marriage vows being held on the The Lake House deck. The back drop of the soft hues of sunset reflecting on the lake and crowning the Southern Alps beyond, is truly glorious.

With the lake as your backdrop this is the perfect spot for an outdoors wedding ceremony.
